Donation to assist with Gippsland Bushfire Relief

Dear Sandie,

On behalf of The Salvation Army, it gives me great pleasure to acknowledge the donation of \$10,000 provided by Ritchies Stores Disaster Relief Fund via the Lord Mayor's Charitable Foundation, to support people affected by the recent bushfires in the Gippsland area.

We are encouraged by their generous support, concern and compassion for others during this difficult time.

The Salvation Army's presence in the areas affected by the bushfires means that we are able to provide food, food vouchers, clothing, emergency bedding, goods, counselling and a helping hand to those doing it tough.

The generosity of Ritchies will enable The Salvation Army to continue providing much needed support and material aid over the coming weeks. We thank them for standing alongside us as we endeavour to provide comfort and hope to those living within the affected areas.

Yours sincerely
